# ENVIRONMENT HEALTH SAFETY & RISK MANAGEMENT

Global Institute of Health Science is a pioneer in health science education especially in distance & online education. Global Institute of Health Science is an ISO 21001:2018 Certified health science Institute & globally acclaimed, also certified with copyright approval from IPR Government of INDIA. GIHS have international certification from UASL UK for Quality Control Management System.

## WHY CHOOSE US

- + BRINGING EXCELLENCE TO HEALTH PROFESSIONALS
- + 10+ YEARS OF EXPERIENCE WITH INTERNATIONAL EXPOSURE
- + INTERNATIONAL ACLAIMED WITH ISO & GOVT APPROVED
- + LIFETIME FREE PERSONALIZED TUTORING FOR SUCCESS

The GIHS program in **Environment Health and Safety with risk management** Certification covers a wide range of topics to enable participants to confidently manage EHS. Truth of the matter is that good EHS with risk management helps an organization in achieving its goal of excellence.

Risk management is an input rather than a by-product for successful ventures; public or private, formal or informal. It is suitable to both people in workplaces and members of the public who want training in Environment Health and Safety. It will provide with the skills to manage emergency situations. This program will help, to develop the student's **research and analytical skills**, to develop a wider and more in-depth understanding of occupational health, safety, environment and **Risk Management theory and practice** and the course is designed to meet the needs of existing or aspiring Managers and leaders in health or allied organizations. It will also cover the **regulatory audits**.

# SYLLABUS

- Environment Health & Safety
- Environment Assessment, sampling & Monitoring
- International control of hazardous agents in the workplace
- Principles of chemical control, toxicology and epidemiology
- Hazardous substances and other chemicals – assessment of risk
- Hazardous chemicals – engineering controls and personal protective
- Monitoring and measuring / Biological agents/ Physical agents
- Psycho-social agents / Musculoskeletal risks and controls
- Work environment risks and controls
- Managing occupational health
- Safety Management and Communication
- Discover the Proven Safety Communication Framework
- International workplace and work equipment safety
- Risk Management and Control
- Risk Assessment and Safety Management
- Value & Risk Management
- Project Management Theory and Practice
- Human Factors in the Design and Evaluation of Control Rooms
- Fire Safety, Explosions and Process Safety
- Environmental Impact Assessment
- Learning from Disasters
- Fundamentals of Health and Safety Engineering
- Environmental Planning and Management
- Environmental Technology for Sustainable Development
- Environmental Technology and Engineering
- Safety Management in Chemical, Petrochemical and Petroleum Industry
- Safety in Industries like textiles, pharma, engineering, construction and many more
- Waste Water & Sludge Treatment & Disposal Management
- Assessment and control of dust hazards at a workplace
- ISO 14001 & ISO 45001 / Occupational Health & Management
- HIRA / HAZOCHEM / OHSAS standards / National Standard
- Integration of HSE / Accident Incident Investigation
- Legal Req. in Environment Health & Safety
- International management of health and safety
- Principles of health and safety management
- Loss causation and incident investigation
- Measuring and reviewing health and safety performance
- Identifying hazards, assessing and evaluating risks / Risk Control
- Organizational factors / Regulating health and safety

## ADMISSION PROCEDURE

- Enrollment online: [www.gihsonline.com](http://www.gihsonline.com) / Apply Online
- Online Access for Study Content within 48 Hours of enrollment
- Shipping of books with Latest updates with every enrollment (optional)
- Will Assign Personalized Professional Expert for Lifetime with no COST
- Online exam and Project submission
- Will award and ship two international certificates

## FEES DETAILS (All modes of payment available)

- Post Graduate Diploma Program (One Year) – 32000/- INR & Fees for International Candidates – 699 \$ USD
- Fast Track PG Diploma Program (4 Months) – 36000/- INR & Fees for International Candidates – 750 \$ USD

## STUDY METHODOLOGY

- Freelance method of study
- Read the books
- Make notes of your queries
- Need to mail or contact to our expert
- Experts will resolve... via mail or via call or Can arrange Session based on your queries
- Experts will support for lifetime to raise your knowledge & Expertise
- Our content is totally based on live cases and Industries best practices

## MODE OF EXAMS

- Login Details for online examinations after completion of the duration.
- 7 days to appear in online exams.
- Examination pattern would be Multiple Choice question MCQ
- PowerPoint project of minimum 30 pages of your own selected topic
- Successful Candidates would award with two certifications (DEGREE & TRANSCRIPTIONAL Degree)

## PLACEMENT SUPPORT

Will Share your profile globally for career growth. With the support of GIHS programs more than 2000 professionals are working in healthcare industry and having strong student & professional base in India, UK, USA, Canada, UAE, Russia, Australia and more.

Global Institute Of Health Science

## Certificate

This is to certify that  
**Mayur Vilas Thorat**  
completed the one year programme of  
Post Graduate Diploma in  
Environment Health Safety & Risk Management  
offered by  
Global Institute of Health Science.  
during May 2022 to April 2023

Upon successful completion of the programme

**POST GRADUATE DIPLOMA**  
**IN**  
**ENVIRONMENT HEALTH SAFETY & RISK MANAGEMENT**  
is awarded to him/her this day the 26th May 2023.

MHRD (Higher Education)  
Reg No: SW - 12032/2018  
CR Act 1957

ISO 21001:2018
