PROGRAMME OVERVIEW

Build Specialised Knowledge in Ksharsutra Ayurveda

Practical | Job-Oriented | Shalya Tantra | Ano-Rectal Care | Kshara | Ksharsutra | Pharmacology | AI Literacy

Ksharsutra is Ayurveda's para-surgical answer to ano-rectal disease — a medicated thread whose alkaline action cuts, drains and heals a tract in stages, over weeks, without the recurrence rates that make this area of surgery so difficult. It is one of the few classical techniques with a genuinely international research footprint.

The GIHS Ksharsutra programme teaches the whole discipline around it: Shalya Tantra foundations and surgical ethics, the Trividha Karma stages, ano-rectal anatomy in both the modern and the Ayurvedic account, the Apana Vayu concept, the preparation, standardisation and sterilisation of Kshara and Ksharsutra, their indications, contraindications and complications, the supporting pharmacology, and the managerial and worldwide picture.

> **"We Teach What the Job Requires."**
>
> GIHS connects classical Shalya Tantra learning with the operational detail a Ksharsutra clinic depends on — preparation standards, sterilisation, documentation, follow-up scheduling and patient education.

Why This Programme Stands Out

- Focused specialist learning in Ksharsutra and Shalya Tantra
- Ano-rectal anatomy and physiology, modern and Ayurvedic
- Poorva Karma, Pradhan Karma and Pashchat Karma concepts
- Ayurvedic view of Guda, Guda Vali, Uttaraguda, Adharaguda and Guda as Marma
- Apana Vayu — function, vitiation and pacification
- Pratisaraneeya and Paneeya Kshara
- Kshara and Ksharsutra preparation, standardisation, sterilisation and storage
- Indications, contraindications and complication awareness
- Kshar Varti, Kshar Pichu and the pharmacodynamics of Kshara
- Supporting pharmacology and Ayurvedic drugs in ano-rectal disorders
- NEW dedicated AI module for Ksharsutra education and clinic documentation

REVISED SYLLABUS

Curriculum, Module by Module

The full GIHS syllabus, regrouped into 8 clearly sequenced modules so you can see exactly what each stage of the programme teaches and why it comes where it does. Module 8 is the new Artificial Intelligence module.

MODULE 01 Shalya Tantra Foundations

The surgical branch of Ayurveda, and what it expects of the person practising it.

- Introduction to Shalya Tantra — definition and importance
- Qualities of a surgeon
- Basic surgical concepts and the practice of surgery
- Surgical ethics

MODULE 02 Trividha Karma — The Three Stages

Preparation, procedure and aftercare as one continuous obligation.

- Poorva Karma — pre-operative procedures
- Pradhan Karma — operative procedures
- Pashchat Karma — post-operative procedures
- Application of Kshara and Ksharsutra in ano-rectal disorders

MODULE 03 Ano-Rectal Anatomy — Modern & Ayurvedic

Two descriptions of the same region, and why a practitioner needs both.

- Anatomy and physiology of the ano-rectal region
- Anatomical concepts of Guda in Ayurveda — development and measurements
- Guda Vali, Uttaraguda and Adharaguda
- Guda as a Marma and its functional concepts
- Importance of Guda Vali in the act of defaecation

MODULE 04 Apana Vayu

The functional concept that explains why this region goes wrong in the first place.

- Concept of Apana Vayu and its function
- Apana Vayu in defaecation and micturition
- Involvement in the development of ano-rectal disorders
- Features of vitiated Apana Vayu and measures of pacification

MODULE 05 Kshara — Types, Preparation & Action

The alkaline agent itself: how it is made, how it acts, and where it must not be used.

- Definition and types — Pratisaraneeya and Paneeya Kshara
- Properties, pharmacological actions and chemical constituents
- Method of preparation, standardisation, sterilisation and storage
- Indications, contraindications and complications of Kshara Karma
- Kshar Varti and Kshar Pichu
- Pharmacodynamics — chemical analysis, pH and mode of action
- Paneeya Kshara and its indications

MODULE 06 Ksharsutra — Preparation & Clinical Use

The thread: its history, its materials, its standards and its clinical boundaries.

- Historical aspects of Ksharsutra
- Drugs used in preparation — identification, collection and properties
- Pharmacological actions and chemical constituents
- Method of preparation, standardisation, sterilisation and storage
- Indications, contraindications and complications in ano-rectal disease

MODULE 07 Pharmacology & Managerial Practice

The supporting medicines, and the wider professional and regulatory picture.

- Antibiotics, laxatives, analgesics and NSAIDs
- Haemostatics and anaesthetic agents
- Ayurvedic drugs used in ano-rectal disorders
- National guidelines and managerial aspects
- Worldwide approach to Ksharsutra

MODULE 08 · NEW Artificial Intelligence in Ksharsutra Ayurveda

Study Support · Clinic Documentation · Research Organisation · Responsible AI

- Introduction to AI and Generative AI for Ayurveda and Ksharsutra learners
- Prompt engineering for Shalya Tantra and Ksharsutra education
- AI-assisted study notes, flashcards, quizzes and concept maps
- … and 17 further topics — the full module is set out on page 5

2
International certificates awarded and shipped

Every module is backed by a personal subject expert assigned to you for life at no cost — email or call whenever a topic needs explaining, and a session can be arranged around your queries.

MODULE 08 · NEW HIGHLIGHT MODULE

Artificial Intelligence in Ksharsutra Ayurveda

Study Support · Clinic Documentation · Research Organisation · Responsible AI

This future-ready module introduces responsible AI and Generative AI applications for education, documentation, research organisation and professional workflow support. AI is not a substitute for diagnosis, surgical judgement, procedural competence, prescription, patient consent or qualified clinical supervision.

Key Topics Covered

- Introduction to AI and Generative AI for Ayurveda and Ksharsutra learners
- Prompt engineering for Shalya Tantra and Ksharsutra education
- AI-assisted study notes, flashcards, quizzes and concept maps
- AI-assisted anatomy and procedural-sequence learning aids
- AI support for organising indications, contraindications and complication tables
- AI-assisted comparison of Kshara and Ksharsutra concepts — with expert verification
- AI support for literature-search planning and research-summary organisation
- AI-assisted de-identified case-study learning
- AI-assisted clinical documentation templates for qualified professionals only
- AI support for pre-procedure and post-procedure educational checklists
- AI-assisted patient-education materials and FAQs — with clinician approval
- AI support for procedure scheduling and follow-up workflow organisation
- AI-assisted inventory, sterilisation-log and consumable-tracking concepts
- AI support for audit and checklist preparation in a Ksharsutra clinic
- AI-assisted educational content for ano-rectal health awareness
- AI support for multilingual patient-education drafts
- AI-assisted research-data organisation and academic presentation preparation
- Recognising hallucinated treatment claims, contraindications, drug doses or surgical advice
- Privacy, confidentiality and de-identification of clinical information
- Responsible AI governance and mandatory clinical verification

THE RESPONSIBLE BOUNDARY

Anyone can generate an answer with AI. The professional skill — and the one employers are now paying for — is knowing how to find what the AI got wrong.

Diagnosis, prescription, Ksharsutra application, para-surgical procedures and clinical management must remain with appropriately qualified and registered practitioners. AI produces confident drug doses and contraindications that are simply wrong — in this field that is a patient-safety risk, so every clinical output is verified before use.

What This Module Adds to Your Career

Ksharsutra practice is unusually document-heavy: preparation and sterilisation records, batch standardisation, weekly thread changes, follow-up over many weeks. AI helps with exactly that layer — checklists, logs, schedules, patient-education drafts in the patient's own language, research organisation. The module keeps the line visible: administrative and educational support, yes; surgical judgement, never.

AI-Enhanced Practice Exercises

Applied work that builds the verification habit, not just the prompting habit:

- Build a Ksharsutra learning map from Shalya Tantra to follow-up care
- Prepare a verified indications and contraindications learning matrix
- Create a sterilisation and storage documentation checklist
- Draft an educational patient FAQ and review its clinical wording
- Identify unsafe medical claims in sample AI-generated Ksharsutra content

HOW YOU STUDY & WHERE IT TAKES YOU

Study Method, Certification, Skills & Career Pathways

Study Methodology

- Freelance, self-paced method of study around your work schedule.
- Study the books and course material provided with your enrollment.
- Note down your queries as you progress through each module.
- Contact your assigned expert by email or phone at any time.
- Experts respond by mail, by call, or arrange a session based on your queries.
- Lifetime expert support to keep raising your knowledge and expertise.
- All content is based on live cases and industry best practice.

Mode of Examination

- Login details for the online examination are issued on completion of the programme duration.
- A 7-day window is given to appear for the online examination.
- The examination pattern is Multiple Choice Questions (MCQ).
- A PowerPoint project of minimum 30 pages on a topic of your own choice.
- Successful candidates are awarded two certifications (Degree and Transcriptional Degree).

Learning Mode, Assessment & Certification

Mode	Online and distance learning, designed for working professionals.
Assessment	Online and distance examinations (MCQ / theoretical) and/or projects.
Certification	GIHS certificate awarded to successful candidates on completion of applicable requirements.
Career support	Placement support and CV-forwarding assistance for successful candidates.
Verification	Employers can confirm certificate authenticity through the official GIHS verification process.

Verified by GIHS itself — not by a third party. Every certificate carries its own certificate ID. An employer, university or registration body can confirm it directly at www.gihsonline.com/verify-certification — no third-party verification agency and no fee.

Practical & Job-Oriented Learning

The programme is built around specialist knowledge that a Ksharsutra clinic uses daily: terminology, ano-rectal anatomy, preparation and standardisation concepts, indications and contraindications, complication awareness, supporting pharmacology, documentation and follow-up workflow. For qualified Ayurveda professionals it complements existing clinical training; for other eligible learners it supports academic, research and clinic-support competence.

Career-Relevant Skills You Will Develop

- Shalya Tantra and Ksharsutra conceptual knowledge
- Ano-rectal anatomy awareness
- Kshara and Ksharsutra preparation and standardisation concepts
- Indication, contraindication and complication awareness
- Procedure workflow and documentation awareness
- Surgical ethics awareness
- Pharmacology and Ayurvedic medicine awareness
- Clinic workflow and patient-education support
- Research and academic content organisation
- Responsible AI-assisted professional skills

Career & Professional Pathways

The current GIHS course page lists **Ksharsutra clinic support, ano-rectal clinic coordination and academic pathways**. The programme can also support:

- Ayurveda / Ksharsutra clinic support
- Ksharsutra clinic assistant
- Ano-rectal clinic and organisation support
- Academic and research support
- Patient education and clinic administration support
- Digital Ayurveda documentation support
- Professional development for qualified Ayurveda practitioners

The GIHS page lists Anorectal Specialist / Consultant, Assistant in Ayurveda Clinic, Assistant in a Ksharsutra or ano-rectal organisation, and Assistant and Associate Professor. Specialist, consultant, faculty and independent clinical roles require the qualification, registration, experience and approvals applicable in your jurisdiction.

PLACEMENT & CAREER ENHANCEMENT

What GIHS Does for Your Career After the Course

CAREER ENHANCEMENT INCLUDED FREE WITH EVERY ENROLMENT

Exclusive FREE CV & Interview Coaching — worth ₹9,999

FREE
worth ₹9,999

Join a GIHS programme now and unlock complimentary access to TopCV Coach, giving you the professional resume and interview skills you need to launch your career with confidence. Your profile is also posted on the TopCV Coach website, where a large recruiter and employer network is active.

Professional resume building
Build a CV that reads the way recruiters in healthcare actually screen.

Interview skills coaching
Practise and sharpen how you present your qualification and your new AI literacy.

Profile posted on TopCV
Your profile goes live on topcvcoach.com, in front of a large employer network.

Where Our Graduates Are Making an Impact

Traditional medicine and wellness is a global market — GIHS learners work in Ayurveda and homeopathy practice, wellness centres and resorts, integrative hospitals, nutrition and fitness services, education and their own ventures.

Ayurveda & homeopathy clinics
Practice support, documentation and education

Wellness centres & resorts
Therapy programmes and centre coordination

Integrative & AYUSH hospitals
Departmental support, protocols and quality systems

Panchakarma & therapy units
Procedure scheduling, hygiene standards and aftercare

Nutrition, fitness & lifestyle
Diet planning, counselling and wellness programmes

Maternal & family wellness
Garbhsanskar, antenatal and parent-education programmes

Pharmaceutical & herbal products
Formulation knowledge, quality and regulatory support

Education, content & research
Teaching, academic support, writing and digital content

Independent practice & ventures
Classes, retreats, consulting and online programmes

WORKING GLOBALLY — India · UK · USA · Canada · Australia · New Zealand · UAE & Gulf · Saudi Arabia · Qatar · Oman · Russia · Germany · Ireland · Singapore · Malaysia · Africa · Europe

Placement support. More than 2,000 GIHS professionals are now working in well-known organisations worldwide, many of them after building CV and interview skills through the free TopCV Coach programme. GIHS shares your profile globally for career growth. Successful candidates receive placement support and their CVs may be forwarded to various organisations. Final employment remains subject to employer selection and role-specific eligibility.

Business & Entrepreneurship Value

A Ksharsutra clinic is a specialist service with very few competent operators, and much of what makes one work is procedural discipline rather than equipment.

- Support the setup and running of a Ksharsutra or ano-rectal clinic
- Develop preparation, sterilisation and storage SOPs and quality documentation
- Build follow-up scheduling and patient-education systems
- Deliver training for clinic support staff and assistants
- Provide academic, research and educational content services

Any regulated clinical service must only be provided within your lawful professional scope and applicable registration requirements. Career titles, eligibility and the right to practise depend on your prior qualification, experience, employer criteria and local regulation.

Global Institute Of Health Science

Certificate

OF POST GRADUATE DIPLOMA

This is to certify that

CANDIDATE NAME

has successfully completed the one year programme of **Post Graduate Diploma in Ksharsutra: Ayurveda** offered by Global Institute of Health Science, during **MONTH YEAR to MONTH YEAR**. Upon successful completion of the programme

POST GRADUATE DIPLOMA

IN

KSHARSUTRA: AYURVEDA

is awarded to him/her this day the **XX MONTH YEAR**.

What Our Candidates Say

★★★★★ 300+ Google reviews

"I recently completed my Post Graduation in Pregnancy and Child Care from GIHS and it was a wonderful experience."
Dr Fatema Ebrahim

"One of the best institutions... Course is carefully structured and detailed. Management is very well organised and prompt in assistance."
A V

"This course has been a game-changer for me, providing the knowledge and skills necessary to succeed on a global platform."
Akram Sabiq

"They have a very good independent study methodology and the subject matter is really good... the Institute of Health was a wise choice."
Andrea Del Pilar

"From the day 1 to till date Chethan assisted very well... the studies are very detailed and made interesting."
Sarah Lilly, MBA

Admission Procedure START ANY DAY

1. **Apply online — any day**
   Enrol at www.gihsonline.com / Apply Online. Admissions stay open all year — no batch to wait for.
2. **Confirm your fee**
   No hidden charges. Payment within 7 days of enrollment.
3. **Receive your study material**
   Online access within 48 hours; printed books shipped if you add them.
4. **Get your personal expert**
   A professional subject expert is assigned to you for lifetime support at no cost.
5. **Complete exam and project**
   Online examination plus a project submission.
6. **Receive your certificates**
   Two international certificates are awarded and shipped.

Who Can Enrol

LISTED ON THE GIHS COURSE PAGE

- All graduates and postgraduates
- MBBS / BDS / BHMS / BAMS / BPT / BUMS
- B.Pharm / M.Pharm / Pharmacy Professionals
- Occupational Therapists
- B.Sc. / M.Sc. & Life-Science Graduates
- Medical Laboratory Professionals
- Nursing Professionals
- Microbiology Professionals
- Biomedical / Biotechnology Professionals
- Yoga, wellness and nutrition professionals
- Professionals working with hospitals & healthcare organisations

ALSO OPEN TO

- Any graduate from any discipline
- Working professionals with relevant work experience
- Entrepreneurs planning to start a healthcare or allied venture
- Managers and administrators running a healthcare organisation

Any graduate, and any professional with relevant work experience, may enrol — including those who intend to start, run or manage a healthcare or allied organisation.

QUESTIONS

Frequently Asked Questions

What is Ksharsutra?

It is an Ayurvedic para-surgical technique using a medicated alkaline thread to treat ano-rectal conditions in stages, combining cutting, drainage and healing action over a course of weekly thread changes.

Does the programme cover preparation and standardisation?

Yes — the drugs used, their identification and collection, preparation method, standardisation, sterilisation and storage for both Kshara and Ksharsutra.

Does it cover contraindications and complications?

Yes, for both Kshara Karma and Ksharsutra in ano-rectal disease. Complication awareness is treated as core content, not an appendix.

Is modern pharmacology included?

Yes — antibiotics, laxatives, analgesics and NSAIDs, haemostatics and anaesthetic agents, alongside the Ayurvedic drugs used in ano-rectal disorders.

Does it cover the Ayurvedic anatomy of Guda?

Yes, in detail: development, measurements, Guda Vali, Uttaraguda, Adharaguda, Guda as a Marma, and the Apana Vayu concept behind ano-rectal dysfunction.

Can AI help with clinical decisions?

No. AI supports learning, documentation, checklists, scheduling and patient-education drafts. Diagnosis, procedure and clinical management stay with qualified practitioners.

Does this certificate authorise me to perform Ksharsutra?

No. Para-surgical procedures require the recognised qualification, registration and clinical training that apply in your jurisdiction.

Can working professionals enrol?

Yes. The programme is delivered online and by distance learning, with a Fast-Track option.

What is included in the programme fee?

Course material with the latest updates, online access within 48 hours, printed books shipped with your enrolment, a personal subject expert for life at no cost, the online examination and project assessment, and two international certificates on successful completion. There are no hidden charges.

Is the TopCV Coach access really free?

Yes. Every GIHS enrolment now includes complimentary TopCV Coach access worth ₹9,999 for professional resume building and interview skills, and your profile is posted on the TopCV website where a large recruiter network is active.

Can I use this programme to start my own practice or venture?

Yes, within your lawful professional scope. The Business & Entrepreneurship section of this brochure sets out the non-clinical services, education and consulting work the knowledge supports. Regulated clinical services require the appropriate qualification and authorisation.

I am not from a clinical background. Can I still enrol?

Yes. Any graduate from any discipline may enrol, as can working professionals with relevant experience, entrepreneurs and managers of healthcare or allied organisations.

No batch to wait for — start the day you enrol Admissions stay open every day of the year — enrol today and begin at once.

ABOUT THE INSTITUTE

Global Institute of Health Science

Global Institute of Health Science is a pioneer in health science education, especially in distance and online learning, with more than 15 years of experience and international exposure. GIHS is an ISO 21001:2018 certified health science institute, globally acclaimed, and certified with copyright approval from IPR, Government of India. GIHS also holds international certification from UASL UK for its Quality Control Management System.

- **Excellence for health professionals** — Programmes built around what healthcare employers actually ask for.
- **15+ years with international exposure** — A student and professional base across India, UK, USA, Canada, UAE, Russia and Australia.
- **ISO certified and government approved** — ISO 21001:2018, IPR Government of India copyright approval and UASL UK quality certification.
- **Lifetime free personalised tutoring** — A dedicated subject expert assigned to you at no cost, for life.

More Ways to Build Your Career

GIHS programmes help professionals get a strong start in the healthcare field. These courses are ad-hoc to a professional career and provide the additional benefit of being part of a global learning organisation.
