WHY CHOOSE US

- ✚ BRINGING EXCELLENCE TO HEALTH PROFESSIONALS
- ✚ 10+ YEARS OF EXPERIENCE WITH INTERNATIONAL EXPOSURE
- ✚ INTERNATIONAL ACLAIMED WITH ISO & GOVT APPROVED
- ✚ LIFETIME FREE PERSONALIZED TUTORING FOR SUCCESS

The **GHIS Mother and Child Health** Program is designed for those interested in learning about the complexities of global health and the unique barriers to healthcare that face women and children.

Participants gain a comprehensive understanding about issues in **maternal and child survival**, and also learn about innovations in healthcare for women and children.

Upon completion of the core Maternal and Child Health training certificate course, individuals will gain a broad understanding of the field that focuses on the **health and welfare of women and children**. An understanding of the normal patterns of human growth and development; knowledge of the organization and financing of health systems in the India, understanding of the design, implementation, and evaluation of **MCH programs** domestically and internationally and an ability to identify essential gaps in existing programs serving mothers and children.
