Public Health can be defined as the science and a way of preventing disease, promoting human health through collective efforts and create awareness of **public health in the societies, organizations communities, and individuals**. There are many public health initiatives taken worldwide in both developed and developing countries. The World Health Organization is the international agency that **coordinates and manages global public health issues**, thus the career scope in public health is huge worldwide. Public Health administration management course and program is relating to **leadership, management, and administration of public health systems**, health care systems, hospitals, and hospital networks. Health care administrators are considered health care professionals. There are two types of administrators, **generalists and specialists**. **Generalists** are individuals who are responsible for managing or helping to manage an entire facility. **Specialists** are individuals who are responsible for the efficient operations of a specific department such as **policy analysis, finance, & accounting**.

- Enrollment online: www.gihsonline.com / Apply Online
- Online Access for Study Content within 48 Hours of enrollment
- Shipping of books with Latest updates with every enrollment (optional)
- Will Assign Personalized Professional Expert for Lifetime with no COST
- Online exam and Project submission
- Will award and ship two international certificates

FEES DETAILS (All modes of payment available)

- Post Graduate Diploma Program (One Year) – 32999/- INR & Fees for International Candidates – 699 \$ USD
- Fast Track PG Diploma Program (4 Months) – 36999/- INR & Fees for International Candidates – 750 \$ USD

STUDY METHODOLOGY

- Freelance method of study
- Read the books
- Make notes of your queries
- Need to mail or contact to our expert
- Experts will resolve... via mail or via call or Can arrange Session based on your queries
- Experts will support for lifetime to raise your knowledge & Expertise
- Our content is totally based on live cases and Industries best practices

MODE OF EXAMS

- Login Details for online examinations after completion of the duration.
- 7 days to appear in online exams.
- Examination pattern would be Multiple Choice question MCQ
- PowerPoint project of minimum 30 pages of your own selected topic
- Successful Candidates would award with two certifications (DEGREE & TRANSCRIPTIONAL Degree)

PLACEMENT SUPPORT

Will Share your profile globally for career growth. With the support of GIHS programs more than 2000 professionals are working in healthcare industry and having strong student & professional base in India, UK, USA, Canada, UAE, Russia, Australia and more.
